

Top Ladies of Distinction, Inc.

Carson Chapter

Greetings Ladies, Top Teens and Lords!

I, along with the Ladies, Lords, and Top Teens of the Carson Chapter, are pleased to invite you to participate in the 2010 Area VI Conference. This year we will celebrate the 30th Anniversary of the Area VI Conference and we are proud and honored to host this milestone event from November 18-21, 2010 in Torrance, California. To commemorate this special conference, participants will review the progress TLOD has made over the past year, highlight our current community service efforts, and identify our goals and objectives for the next year.

We invite everyone who has a stake in the direction of our organization to attend! We believe that your ideas will be the most important part of the meeting and that your active participation will be essential for the meeting to fulfill its mission. Our Area VI Director, Lady Alna Brown, has prepared a dynamic meeting scheduled packed with many business and educational opportunities as well as time for us to relax and bond. There are several special presentations and broad themes that have been scheduled throughout the various plenary sessions, presentations, and workshops.

Our Area VI Conference takes place in Torrance California, a dynamic, cosmopolitan, South Bay City. Torrance's warm climate, numerous outdoor activities, accessible shopping, fine dining, wide diversity of cultures, and easy accessibility make it a perfect setting for our conference!

We do hope you will join us and participate in our 30th Area VI Conference. The Carson Chapter, our Top Teens, and Lords are part of the local organizing committee and have a diversity of expertise to put together a meeting that is broad in scope, rich in substance, ambitious in reach, and grounded in relevance. Please join us in Torrance!

This is one conference you do not want to miss!

*Lady Beverly Byrd
Chapter President*
