On behalf of all of the Ladies in Area VI and as Area Director, I would like to thank you for your support and dedication to our organization. Your spirit of cooperation has been exceptional. It is the help and encouragement of our Lords that has caused Area VI to have continued growth. As we embark upon new endeavors that will forever change the place of our organization in today's world, we will need your continued support.

Enclosed you will find a registration form and the information for our souvenir journal. *It would be wonderful if every Lady could open the journal and see an AD from her Lord.* Can you imagine what a glorious sight this book would hold? Can you see it? Ladies, Lords and Teens filling the pages with that very special feel of Area VI warmth and love.

Again, thank you for your support and assistance. We are looking forward to the positive interaction between the Ladies, Lords and Teens throughout our Conference as we work together and strive to strengthen the community through our platform of works.

We wish you the very best and we hope that you will always illuminate as a beacon light in our community. In closing, please realize that the presence of each of you will make this conference a true success, and we will accomplish our goals for the upcoming year 2010-2011.

Knowing that our Lords stand beside us, we excitedly look forward to the adventures ahead.

In the Spirit of Service,

Lady Alna Brown
Area VI Director
