

Area IV's Community Partner, Elon Homes & Schools for Children Dorm Room Furniture Challenge

Elon Homes and Schools for Children is preparing to open its doors for the Foster Care Village. The Foster Care Village invests in the future of 18 - 21 year old youth who have aged out of traditional foster care and will reside in our EHSC Foster Care Village at JCSU, while they continue their education and work.

Thanks to generous Elon Homes partners, Elon has the opportunity to provide an entire set of furniture for just \$250 each!
